Hello Jefferson Students, Staff & Family,

I hope you are all well and taking care of yourselves and your loved ones. I miss you all terribly and hope you are staying healthy and safe.

Mrs. Collins

Chief Financial Officer

Hi JMS Students and Families!

I want to provide you with an update regarding this year’s Jefferson Yearbook. The yearbook is submitted and is now in the hands of HR Imaging. HR Imaging temporarily closed their doors due to health concerns but as soon as they are able to reopen, they will begin printing the yearbook. Hopefully, you will receive your copy around the time school reopens.

In the meantime, I wanted to let you know that as soon as certain restrictions are lifted, the yearbook staff will be making decisions regarding how to distribute the yearbook. I will relay that information to you when I have it.

Hello Jefferson Students, Staff & Family,

I am here for you and your families. I am working from home and you can reach me by email or phone. I am trying to keep the virtual school running smoothly and, in the meantime, assure you all are surviving all of you are surviving in this difficult time. I would be happy to speak with you individually. Do reach out to me.

Legends—Mr. Sengstock

Hi Legends! I know that you all are working extremely hard and safely! During the last few weeks, I have received input from the principals regarding what the school looks like for the fall 2020. The three A’s of school reopening are: safety, responsibility, and flexibility.

I am scheduled to produce my next short film this summer, so I have been working hard to make that happen. I will continue teaching during the fall, but I will create a virtual class for those interested in joining.

Scholars—Ms. Lopez

Hi JMS Students and Families!

I started out field trip by saying “If you’re a family member, you are an essential worker,” THANK YOU!

With school open, we have seen a noticeable change in the area around the school. A sense of normalcy is truly occurring among your students enjoying their time during this crazy time.

I want to thank all of our essential workers who are currently working through this crisis. It’s truly something we have never experienced.

Each person has a unique perspective on this time.

Inspiration—Ms. Griswold

I miss you all! I have been able to keep busy with some hobbies and reading instruction in order to help them enhance their reading skills.

I am using the Google Classroom for instruction. This is just one way to support our students.

I have also been reorganizing my home, working from home is nice since it gives me much freedom; however, I dearly miss my “human” interactions with you all. Stay safe and healthy. I hope to see you soon!

Reading Intervention—Ms. Sullivan & Ms. Luna-Brise

Greetings from your Reading Intervention. We are the teachers here with your students who are struggling with reading. Our goal is to help our students improve their reading skills.

First and foremost, Mrs. Luna-Brise and Ms. Sullivan. Reach out if you are struggling during this time. Email or Google Classroom for your student to get back in touch. We are doing our best to keep up.

Mrs. Luna-Brise

About the Yearbook

I wanted to update you again regarding this year’s Jefferson Yearbook. The manuscript is set and I have been working on putting it together. I have been putting in countless hours of planning and grandfathering in your picture to make sure that all the students are featured.

I would love to see you all again soon, hopefully when school reopens.

Email me at Rose.Jones@jefferson.org if you have any questions or comments. Please reach out if you would like more information.
