Dr. Butler

Wow! It is hard to believe the school year is over already. I know it has been weird to have our 4th quarter wiped away from the school setting and replaced with remote learning. This has been shocking and quite the journey for all of us, but we will get through this together as usual. While my office “moved” from JMS, I have been working from my home office. When not working, I have been reflecting on many things and putting things into perspective. Many of you know I am a crafter, so I have been crafting and scrapbooking late into the evening and morning. I have also spent lots of quality time with my partner, children and two dogs. I pray everyone is staying healthy and safe! I hope to see you all soon!

Achievers—Ms. Panici

Wow it is hard to believe the year has come to an end. We are so proud of the growth and progress you have made throughout the year. Look for an invitation in Google Classroom to our Tuesday celebration. Join us for teacher Family Feud and Who is it? Kahoot. Enjoy your summer and we will see you next year.

Yearbook Distribution

As you know, HR Imaging was closed due to COVID. They were able to reopen on May 11 and begin production on school orders. Mr. Guzman and I received notification that our yearbooks are printed and are scheduled to arrive Tuesday evening.

Here is the schedule for Yearbook Pickup, based on projected arrival. We appreciate your flexibility.

Thursday, May 21 3pm-5pm - Grades 6 and 7
Friday, May 22 3pm-5pm - Grade 8 and anyone who did not purchase one ahead of time

We will distribute yearbooks under the same conditions as picking up student school supplies and belongings. Via NAV NPI pick up unfamiliar voice. “Please return the Africa’s answer to the school’s office. We are not working from the office. Certification will be made using the school database. We will simply pull out into our circle drive and proceed to the pick-up area. A staff member will deliver the yearbook(s) to you. A staff member will deliver the yearbook(s) to your car. A staff member will be wearing a mask and gloves to protect against person to person contact. Families may not enter the school.

As always, thank you for your patience and understanding.
